Guardian Credit Union Launches Guardian Mobile 2.0

West Milwaukee, WI – August 7, 2013: GUARDIAN CREDIT UNION has launched Guardian Mobile 2.0; an upgraded version of its previous mobile banking app.

Guardian Mobile 2.0 is intended to increase member engagement, improve security, and offer more product information that members seek all within one platform. The Guardian Mobile 2.0 app not only allows a member to check account balances, view recent transactions, transfer funds and pay bills on the go but now a member is able to check rates, connect to social sites, and get contact information fast and easy. Plus, members using an iPhone now have the option to save their password and protect it by a 4 digit PIN.

“We constantly strive to make banking simple and convenient for our members.” said Steve Wesson, President and CEO of GUARDIAN CREDIT UNION. “Guardian Mobile 2.0 is another example of that.”

The Guardian Mobile 2.0 app is free and available on the Apple App Store and the Google Play Store. For more information, visit www.guardiancu.org.

GUARDIAN CREDIT UNION is a not-for-profit, member owned financial cooperative open to anyone living or working in Milwaukee, Waukesha, Kenosha, Racine, Ozaukee, Walworth, and Washington counties.
