

Guardian Credit Union Presents Three “Dinner and a Movie” Nights Beginning June 19

SOUTH MILWAUKEE – Guardian Credit Union is bringing outdoor movies back to downtown South Milwaukee ... and they’ve added a twist.

The event – to be held on three Friday nights this summer, starting June 19 – is now called “Dinner and a Movie,” and they’re bringing local restaurants into the fold.

It’s easy: Enjoy movie-night specials at a number of local eateries prior to the outdoor movies, and then swing by the farmers’ market site on 11th and Madison for the flicks.

Here are the dates ...

- Friday, June 19: Annie
- Friday, July 17: Finding Nemo
- Friday, August 21: Big Hero 6

The list of participating restaurants includes China Chef, Barbieri’s, Gourmet House and MKE City Sippers. Look for an updated list at <http://www.guardiancu.org>.

Bring your lawn chairs, and enjoy free popcorn from GCU at each movie.

“We’re excited to sponsor this event again in 2015,” said GCU branch manager Denise Wendlick-Bautch “We’re proud to get behind family-friendly activities like this that support South Milwaukee. We’ve called this city home for 28 years, and we’re happy to give back.”

Said South Milwaukee Mayor Erik Brooks: “I can’t thank Guardian Credit Union enough for bringing back this event. They are a great community partner, and this is a great community event, one that will celebrate the new energy downtown and support local businesses.”
